# RIDER SAFETY

## **Get Schooled in Safety.**

Whether you're a new rider, or a long-time adventure seeker, safety should always be your #1 priority.

## **Safety Training Requirements**

To legally operate an OHV in Nova Scotia many operators must obtain a safety training certificate. see <http://novascotia.ca/natr/ohv/whocanride.asp> for more information.

## **Take a rider safety course today.**

A list of available safety programs can be found at:  
[www.atvans.org](http://www.atvans.org) or 1-877-288-4244
